CONTRACTORS BOARD OFFERS FREE BUSINESS ASSISTANCE PROGRAM

The Nevada State Contractors Board (NSCB) is accepting reservations for two free “Business Assistance Program” workshops, which provide individuals guidance with the license application process. Licensees considering changing their license may also wish to attend. The workshops will be held:

Oct. 13 from 9 to 10:30 a.m.
Henderson Office
 2310 Corporate Circle, Suite 200
 Henderson, NV 89074

Oct. 21 from 10 to 11:30 a.m.
Reno Office
 9670 Gateway Drive, Suite 100
 Reno, NV 89521

Applicants for a contractor’s license receive information to complete the application process quickly and accurately. In addition to the workshop, applicants – upon completion of their application - are given the opportunity to have their applications reviewed by staff before submitting them for approval. Information on locating source documents for the application is also provided, as well as a checklist of state and local agencies and other resources.

NSCB encourages applicants to take advantage of the Business Assistance Program. Many who have attended the program said it was very helpful in their application process. The State of Nevada requires that all contractors be licensed. This includes plumbers, painters, landscapers, electricians, roofers, and many more.
