The Investigations Unit of the Nevada State Contractors Board is hard at work tracking and citing offenders and informing the public of their rights and responsibilities. To assist in prosecuting illegal contracting, the Nevada State Contractors Board has launched an online “Ten Most Wanted.” Individuals listed on the Ten Most Wanted website pages are those who have outstanding arrest warrants for unlicensed contracting activity. Contractors and members of the public can go online at www.nscb.state.nv.us and click “Ten Most Wanted” on the quick-link menu to review suspect’s profiles. The website includes contact numbers to provide information about the individuals profiled.

The person(s) listed on the Nevada State Contractors Board Ten Most Wanted website and in press releases have not been convicted of the charges and are presumed innocent.

Homeowners who use the services of a revoked or suspended contractor are not eligible for recovery of their damages through the Residential Recovery Fund. The NSCB urges the public to hire only licensed contractors in good standing with the Board.
