117 NEW NEVADA CONTRACTORS IN MARCH

During the month of March, the Nevada State Contractors Board licensed 117 new contractors and renewed the licenses of 1,219 current contractors. There are currently 14,031 licensed contractors throughout the state of Nevada.

All potential contractors are evaluated and reviewed by the Board prior to licensure. Potential contractors must demonstrate competence in their respective trades, knowledge of construction law and establish financial responsibility.

The Nevada State Contractors Board has the responsibility of licensing and regulating contractors in the state of Nevada, to promote public confidence and trust in the competence and integrity of licensees and to protect the health, safety and welfare of the public.
