Improve Safety through Self Coaching [PS140C] -

Reduce accidents, injuries and losses on the job by using this technique to assist your employees. Get introduced to six behavior-based performance skills that have immediate results and improve the safety at any workplace. Determine how to raise your own awareness of workplace safety and how to improve communication.

Thursday, 9 to 11a.m., Sept. 25, 2008. Cost \$39

Avoiding the Landmines: Wage and Hour Laws

[PS143C] - Just one complaint from an unhappy employee can trigger an audit of your company. Understand what positions are exempt from overtime pay, when you have to pay overtime on a daily vs. weekly basis and when you have to pay your employees for travel and on-call time. Also, understand when employees need to be compensated for time worked before and after their shift.

Tuesday, 9 to 11:30 a.m., Sept. 30, 2008. Cost \$49

Better Manage Difficult People [PS211C] -

Whether at work or at home, keep your sanity and your cool by learning the six top tools for managing difficult, non-compliant people. Find out what behaviors you can and can't change, and how to help others grow in a positive way. In addition, find out how you can improve communications and develop personal responsibility in others. This course is taught by a licensed psychologist.

Friday, 9 a.m. to 4 p.m., Sept. 26, 2008. Cost \$89
