## CONTRACTORS BOARD RECEIVES 2017 BUSINESS EXCELLENCE AWARD

**HENDERSON, NV** – The Nevada State Contractors Board received the Las Vegas Metro Chamber of Commerce’s 2017 Business Excellence Award today at its annual event. The Board was recognized for its groundbreaking work in protecting the public through its diverse outreach initiatives and educational programs for senior citizens and homeowners, and its ability to evolve to meet the changing demands and trends noticed in the construction industry.

“To say it is an honor to receive an award highlighting our excellence in business and efforts to protect the public is an understatement,” expressed NSCB Executive Officer Margi A. Grein. “We strive daily to uphold our mission, so to be recognized among the group of businesses awarded today for their community and civic efforts is truly meaningful and inspiring for all of us at the Board. We wish to thank the business community and Chamber of Commerce for the distinguished opportunity.”

The Board was one of 30 businesses to receive the Business Excellence Award. The event features six categories: Groundbreakers, Trailblazers, Visionaries, Trendsetters, and Innovators, and Cultivators. Five businesses were honored in each category.
