CONTRACTORS BOARD LAUNCHES NEW MOBILE APP

HENDERSON and RENO, Nev. – A new mobile application developed by the Nevada State Contractors Board makes verifying license information easier. The application, compatible with iPhone, iPad, iPod Touch and Android, is available as a free download.

With the application, users can search by business name, principal name, or license number to ensure a contractor maintains an appropriate Nevada contractor's license. Users can find disciplinary actions the Board has taken against licensed contractors during a specified time period or by discipline type.

The mobile application can also be used to report unlicensed contracting activity.

To download the free application for Apple products, visit the iTunes site:
<https://itunes.apple.com/us/app/nscb-mobile/id789876077?mt=8>. Usage requires iOS 5.1 or later. The app is optimized for iPhone 5.

For the Android application, go to Google Play:
