## LIMITED LIABILITY COMPANY INDEMNIFICATION FOR SINGLE RAISE IN LICENSE LIMIT

### INSTRUCTIONS AND REQUIREMENTS

An indemnification agreement for a single raise in license limit allows the board to consider the financial strength of an individual or entity in addition to the licensee when deciding whether or not to grant a limit increase for a single project. Indemnification is not required; however, it provides an option to an applicant who may not otherwise qualify for a one-time raise in limit for a single project. The agreement must be on a form prescribed by the board, and accompanied by financial documents as set forth below.

**1. Indemnification Agreement:** Provide a completed indemnification agreement specific to the entity indemnifying the license. Corporations and Limited Liability Companies must also provide a resolution executed by the indemnifying Corporation or Limited Liability Company authorizing the execution of this agreement.

**2. Financial Statement Requirements:** The indemnitor must submit a current financial statement (statement) that meets the following criteria:

**For License Monetary Limits of \$25,000 or less the indemnitor must provide one of the following:**

- A current financial statement prepared by an independent certified public accountant; or
- A current financial statement submitted on a form prescribed by the Board (available on the Board's website [www.nscb.nv.gov](http://www.nscb.nv.gov), click on contractor forms); or
- A current financial statement (Balance Sheet) prepared using accounting software in accordance with generally accepted accounting principles and accompanied by an affidavit that verifies the accuracy of the financial statement.

\*To prevent a delay in the processing of your application, if you are unfamiliar with preparing your own financial statement, you are encouraged to seek the advice of an Accountant.

Note: Self-prepared or compiled statements must be current to within six months from the date the application is received.

**For License Monetary Limits more than \$25,000 but less than \$500,000 the indemnitor must provide one of the following:**

- A compiled financial statement prepared by an independent certified public accountant, current within 6 months from the date the application is received; or
- A reviewed or audited financial statement, prepared by an independent certified public accountant, current within one (1) year from the date the application is received.

**For License Monetary Limits of \$500,000 or more but less than \$1,000,000 the indemnitor must provide one of the following:**

- A compiled financial statement with full disclosures, prepared by an independent certified public accountant, current within 6 months from the date the application is received; or
- A reviewed or audited financial statement, prepared by an independent certified public accountant, current within one (1) year from the date the application is received.

**For License Monetary Limits of \$1,000,000 or more:** the indemnitor must provide a financial statement that is prepared and reviewed or audited by an independent certified public accountant, current within one (1) year from the date the application is received.

**3. Dissolution or Bankruptcy:** If indemnitor has dissolved or filed for bankruptcy protection, notification must be provided to the Board.
