## NEVADA STATE CONTRACTORS BOARD MOVES BUSINESS ASSISTANCE AND LICENSING PROGRAMS ONLINE

**LAS VEGAS and RENO, NEV.** – After 15 years of offering the Business Assistance and Licensing Programs, the Nevada State Contractors Board is pleased to announce that both programs are now available online.

Previously offered in person and online once a month, these programs can now be accessed 24 hours a day, seven days a week. Aspiring contractors can view information on the licensing application process, license classifications, tips for Nevada contractors, and other valuable resources at their convenience.

“Moving these programs online will save many hours of licensing staff time each month,” said Susan Broili-Kamesch, Licensing Administrator. “In addition, by making these resources available on demand, applicants can access information whenever they need it rather than waiting for the next scheduled class.”

Applicants who have questions or need guidance specific to the licensing application process can still receive personalized assistance. Nevada State Contractors Board licensing analysts are available Monday through Friday from 7:00 a.m. to 4:00 p.m., excluding holidays, to help applicants complete and submit new license applications.
