Small Business Impact Survey Proposed Amendments to NAC 624.130 Nevada State Contractors Board

The Nevada State Contractors Board (NSCB) is seeking input from small businesses regarding the potential economic impact of proposed amendments to NAC 624.130, which would affect contractor renewal fees. The NSCB is proposing to raise license renewal fees no more than \$150.00 per year for each license. The proposed fee adjustment comes after more than 25 years without an increase in license renewal fees.

Pursuant to NRS Chapter 233B, the NSCB is required to determine the potential economic impact of proposed regulations on small businesses before proceeding with rulemaking.

Please complete the questions below and provide any additional information you believe would assist the NSCB in evaluating the potential economic impact of the proposed amendments. Please return your completed survey to the NSCB **no later than 4:00 p.m. on September 3, 2026.**

Completed surveys may be submitted in person, by email or mail to either of the following locations:
